IV. Project Duration:

The contract will cover a period of one (1) year, renewable for another year subject to the conditions set by RA 9184. The NCMH, however, reserves the right to stop or extend the validity of contract, subject to the satisfaction or violation of the conditions stated in the Contract.

V. Project Cost:

The Approved Budget of the Contract (ABC) for the subscription of the similarity matching tool is Five Hundred Thousand Pesos (500,000.00 php) inclusive of all applicable taxes and fees, remuneration/professional fee, and all incidental expenses.

This Contract is a fixed-price contract. Any costs in addition to the agreed Contract extension of the period of engagement, as approved by the HoPE, shall not involve any additional cost to the Government.

VI. Qualifications of the Service Provider:

Authorized vendor and/ or exclusive distributor of the similarity matching tool.

The *Service Provider* should be a company that has supplied, installed, and provided support of Anti-Plagiarism Software for a minimum of three (3) years.

The *Service Provider* must be registered online with the Philippine Government Electronic Procurement System (<http://www.philgeps.gov.ph>) as a legitimate service provider for government requirements.

VII. Liquidated Damages:

The Consultant obligates itself to perform and complete all the Services within the period specified in the TOR, beginning from the starting date exclusive of such extensions of time as may be mutually agreed upon in writing. Should the CONSULTANT fail to complete the Services within the stipulated time, liquidated damages, not by way of penalty, shall be paid to NCMH by the CONSULTANT in an amount equal to one-tenth of one percent (1/10 of 1%) of the total CONTRACT price minus the value of the completed portions of the CONTRACT certified by NCMH for each calendar day of delay until the Services are completed.
