REQUIREMENTS			
1) Notarized/CTC of			
current and valid			
certificate of			
Manufacturer's			
compliance with ISO			
13485			
2) Notarized certificate			
from the manufacturer			
stating that the			
equipment is brand new,			
unused and not a			
discounted model or was			
listed in the market			
recall			
3) Notarized certification to			
provide Manuals Two			
(2) sets of Service			
Manual in English Language and Two (2)			
sets of User Manual in			
English Language upon			
delivery of equipment			
4) Notarized certification			
that the supplier/bidder			
shall provide			
applications training and			
certification for end			
users and maintenance			
personnel of the hospital			
5) Notarized bidder's			
certificate guaranteeing			
the availability on the			
supply of spare ten (10)			
years from end of			
production. A			
certification must be			
issued by the			
manufacturer for the bidder			
6) Notarized certification that the bidder/supplier			
shall a provide a five (5)			
year warranty for parts			
and services that include			
corrective maintenance,			
preventive maintenance,			
and/or calibration. The		į	
warranty shall			
commence upon the			

	acceptance of the end					
	user.
