

**REQUEST FOR PROPOSALS**

In line with our continuous fight against COVID-19, the National Center for Mental Health wishes to request from known medical equipment suppliers/manufacturers, a proposal with complete technical specifications for the following medical equipment to be procured:

1. **Emergency Cart (E-Cart) (all sizes)**
2. **Automated External Defibrillator (AED)**

Submitted proposals with technical specifications will be subjected to the evaluation of the End-Users to determine which is suitable for our Hospital's use. Kindly be noted that proposed equipment must also include the price, should be branded and brand new, and have met the quality standards set by International Organization for Standardization (ISO) or similar accreditation organizations. Your submission is welcome **until December 28, 2020, 3PM only**.

Thank You.

Truly yours,

**JERRY C. RODRIGUEZ, MGM-ESP**
