7. **ECG Machine**
8. **Mechanical Ventilators Peripherals: (MUST BE COMPATIBLE WITH THE FOLLOWING VENTILATORS)**
 - **SV300 Mechanical Ventilator with Complete Accessories SN: GB-0B0-35089**
 - **SV300 Mechanical Ventilator with Complete Accessories SN: GB-0B0-35058**
 - **SV300 Mechanical Ventilator with Complete Accessories SN: GB-0B0-35102**
 - **SV300 Mechanical Ventilator with Complete Accessories SN: GB-0B0-35125**
 - **SV300 Mechanical Ventilator with Complete Accessories SN: GB-0B0-35020**
 - **SV300 Mechanical Ventilator with Complete Accessories SN: GB-0B0-35027**
 - **SV300 Mechanical Ventilator with Complete Accessories SN: GB-0B0-35024**
 - **SV300 Mechanical Ventilator with Complete Accessories SN: GB-0B0-35100**
 - **EV20B-CTO-2O1 MINDRAY SV300 VENTILATOR SN: GB-0A033413**
 - **Mechanical Ventilator, BRAND MODEL: Mindray SV300 Ventilator SN: GB-07025611**
 - **Resmed VPAP non invasive ventilator**
 - **Ventilator SH300 Compressor SN: 2004539**
 - **VENTILATOR ADULT MINDRAY SV-300 assisted control mandatory ventilation CMV synchronized intermittent mandatory ventilation (SIMV) spontaneous CPAP pressurized regulated volume control duo ventilation breath type, pressure controlled breath SN: 6369692044**

Submitted proposals with technical specifications are subject for evaluation with the End-Users to determine which is suitable for the Hospital's use. Kindly be noted that, proposed equipment must also include the **price, model, brand** and should be **brand new**, and **have met the quality standards set by International Organization for Standardization (ISO) or similar accreditation organizations**. Your submission is welcome until **April 13, 2021, 4PM only**.

Thank you.

Truly yours,

(SGD) JERRY C. RODRIGUEZ, MGM-ESP
